Walter Moers has with his fantasy novels written his way into the hearts of readers and critics alike far beyond the borders of the German-speaking parts of the world. All his novels, such as *The 13 ½ Lives of Captain Bluebear* and *The City of Dreaming Books*, were bestsellers and have been translated into numerous languages. Apart from the continent of Zamonia, Walter Moers has also created such popular characters as *Optimus Yarnspinner* and the cartoon character *Adolf*.

"Can you make fun of the Nazis? No, you have to!" was the motto of Walter Moers' 1998 cartoon *Adolf – I'm back* [Adolf – äch bin wieder da!]. It was followed by two further volumes that together were setting the benchmark for Hitler parodies. *The Complete Adolf* now brings together all Adolf stories in one volume.

After decades underground, Adolf comes out of hiding and is given a second chance. "It's me again!" he announces, kills the reanimated Göring, meets Mother Teresa and aliens, buys the Eiffel Tower and destroys Hiroshima, becomes addicted to crack and decodes the crop circles. He becomes a Zen Buddhist, plays Monopoly, does the Pepsi test and so on and so on ...

And there is more: Adolf's last hours in the Bonker – what they were really like. Be it Prince or Michael Jackson, Gandhi or Mussolini, Hermann Göring or Eva Braun, death or God – they all come along for the purpose of thoroughly getting on Adolf's nerves.
