Christian Busemann is an author, editor, editorial manager, and producer for television. For his idea, conception, and production of the MTV series *Pimp My Bicycle*, he was nominated for the Adolf Grimme Prize in 2006.

Pregnancy and the baby's first months are not easy times for fathers either, so this book offers a quick course to help prospective fathers integrate children, career, and partners into their lives.

Crisp and concise, with helpful tips, important advice, encouraging words, and much humor.
