Berlin in 1901. After her mother's death, young Jella von Sonthofen ventures to start a new life. She decides to leave Germany and look for her father, who is missing in German South-West Africa. When after a long search, however, she at last finds his farm, she discovers a terrible truth awaiting her there ...

The Call of the Kalahari is the beginning of a gripping family saga set in a unique landscape. It tells the story of a young German woman in present-day Namibia, her spiritual kinship with the bush girl Nakeshi and a wonderfully romantic love story.
