Carolin Wahl was born in Stuttgart in 1992 and is at present studying in Munich to become a high school teacher. Both as a writer and as a reader, literature is her big passion, and she has already won several awards for her texts. *The Dream Weavers* is her first fantasy novel.

In a world in which spring, summer, autumn and winter are connected with the people through their dreams, the fate of the four season-peoples is in the hands of dream weaver Udinaa. But when Udinaa – half human, half goddess – awakes, her dream shatters into countless millions of pieces. If found, each single one of these pieces gives its bearer the power of the gods. When the pieces of Udinaa's dream fall into the hands of a traitor, a huge war seems to be inevitable. Kanaael alone, the prince of the Summerlands, and Navila, a young clan woman from the Winterpeople, can still turn the course of fate ...
