Storm from the South**
[Die BlausteinKriege 2 - Sturm
aus dem Süden]
Novel

Heyne Taschenbuch
640 pages
2 b/w illustrations
Format 13,5 x 20,6 cm
October 2016

T.S. Orgel is the pseudonym of the brothers Tom and Stephen Orgel. By day, one is a graphic designer and advertising copywriter, and the other a publishing manager. However, when they put pen to paper they create spectacular worlds: In 2012, following a number of short stories and eBooks, they published their first novel, *Orcs v. Dwarfs*, which won the 2013 Phantastik Prize for best German-language debut.

The Berunic Empire is being shaken to its very foundations: the imperial court is being ruled by intriguers and schemers, the emperor is weak and there are invaders gathering at the borders of the empire on their hunt for the bluestones that give those bearing them unlimited power. And in the city streets muggings and violence are the order of the day. This is the hour when the squad of unusual heroes in league with Danil and Sara realise that they are only pawns in a much larger and more dangerous power play than they had imagined ...
