**Arnim Butzen**, born in World Cup year 1974, is said by friends to be a walking encyclopaedia of anecdotes and the Cristiano Ronaldo of soccer tales. He is responsible for marketing TV and entertainment products of Telekom Deutschland.

Just in time for the 2020 European Cup, Arnim Butzen and Jens Bujar have collected the funniest stories about the best sport in the world.

Feisty stars, freaked-out fans, blind referees and battles of words on the edge of the soccer pitch – the numberless anecdotes about football are what really make our favourite sport what it is. Amateur league or the professionals – they're all here. Laugh till the ref blows his whistle!

**Jens Bujar**, born in 1972, worked as a freelance writer and gagman. As a producer he has been and still is in charge of a wide variety of programmes in German television.
