Armin Krenz, PhD, born in 1952, is a holistic psychotherapist and a lecturer at the Institute for Applied Psychology and Pedagogy in Kiel. A specialist in primary education, he has written numerous parental guides, is involved in research work and runs specialist seminars on the subject at home and abroad. Read more at <http://www.ifap-kiel.de/index.php/Dr.-Armin-Krenz.html>

Children need food for the soul. Given love, time and security, they will be well-equipped for a happy and successful life. Armin Krenz provides many examples of ways in which parents can give their children the emotional attention they need.

For parents, nursery and primary school teachers of children aged 2 to 12.
