Hermine König is one of the leading authors of spiritual and religious educational books for children and adults.

A treasure trove of ancient knowledge and creative new ideas – A wonderful present, especially suitable for First Communion or other important spiritual occasions

With its unique collection of ideas and suggestions, Hermine König's Big Almanac is in a league of its own: for many years it has proved an indispensable companion throughout the year, detailing each season's festivals and customs, for children and adults alike. The Almanac has its place at the heart of every family, as well as in nurseries and schools.

The 2007 revised edition features:

- a new layout: up to date, clearly presented and full of variety
- bright colours to make it more accessible for children
- numerous vivid illustrations
- new songs, poems and stories
- the seasoned anthology of children's all-time favourites – including non-fiction texts, ancient legends, prayers, tips for handicrafts, games, baking and lots more
