**Usch Luhn** was born in a small village in Austria in 1959. She studied German and journalism in Berlin, and now shares her time between Berlin and the North Sea coast. She teaches at a film academy and sometimes writes film scripts, and has thought up stories for more than fifty books for children and young adults.

First Christmas at Cuckoo Stone Castle! That is reason enough for Nele to look forward to it like crazy. Then Mrs. Kussmund, her teacher, reads them a Christmas story that really goes to the heart, giving Nele food for thought and making her decide to do as much good as possible during the pre-Christmas season. She soon discovers, however, that it is not all that easy to do good deeds, even you have the best intentions...
