Usch Luhn was born in a small village in Austria in 1959. She studied German and journalism in Berlin, and now shares her time between Berlin and the North Sea coast. She teaches at a film academy and sometimes writes film scripts, and has thought up stories for more than fifty books for children and young adults.

Great Aunt Adelheid has some important news for the Winter family! There is to be a new addition to the family for a short time. Henry, the son of their Scottish friends, is going to be staying with them for two weeks and will be in Nele's class at school. Nele is bursting with curiosity about Henry – perhaps he will be able to tell them all about monsters in Scottish lakes. When Henry finally arrives, Nele realises that he is full of his own importance. Then, however, Henry suddenly shows what he really has in him!
