Monika Feth was born in 1951. After completing her degree in literature, she was initially employed as a journalist. Today she lives and works as a freelance author in a small village in the lower Eifel, where she writes for both children and adults. The sensational success of the *Strawberry Picker* thrillers has made her famous beyond her YA readership. Her books have been translated into more than 24 languages.

Romy Berner, trainee with a Cologne newspaper, is worried: for days she has been trying in vain to get hold of her twin brother, Björn. At that point, she is assigned a new case by chief editor Gregory Chaucer: in Bonn, the town her brother is studying in, a young man has been murdered – one of her brother's fellow students.

Romy quickly realises that all the murder victims belonged to her twin brother Björn's circle of friends – and that the murderer is nearer to her than she suspects...
