**Chris Landow** is the pseudonym of a bestselling German writer whose novels have sold over a million copies and been translated into a dozen languages. *Parceval* is an action-packed thriller series featuring former Federal cop Ralf Parceval.

Ralf Parceval has the lives of fifteen people on his conscience. According to the law, he is a murderer. As he sees it, he is a failure – for he got the wrong men.

Parceval is being hunted all over Germany. After breaking out of prison he goes into hiding in Mannheim, where he is hoping to meet up with an informer. While waiting for his contact man Parceval witnesses a ferocious attack on a wedding convoy. Parceval attempts to rescue innocent passers-by, thus drawing unwanted attention to himself. There is a brutal war being waged in the gangland of Mannheim, and Parceval gets caught up in the middle of it.

A cool, fast-paced thriller with a hero who knows no rules.
