[Der Ruf der Geistigen Welt]
How you can activate and use your mediumistic abilities
The practical book of channelling

Integral/Lotos/Ansata
304 pages
Format 13,5 x 21,5 cm
October 2014

Receiving messages from the spiritual world that offer concrete advice and assistance: that is channelling. This mediumistic ability is inside each person – one only need activate it. In her book Bahar Yilmaz shows how this is done, leaving no question unaddressed. How are the messages received? What can one use channelling for? How does one learn to recognize whether a source is true and believable?

As a successful medium, Bahar Yilmaz reveals as well a completely new aspect: in its transmission of high spiritual energies, channelling is very healing. She shows step by step how we can connect ourselves with these energies and use them in our own lives.

- Channelling as method of healing
- With numerous concrete instructions and practical exercises
