Even as a child, **Nico Sternbaum** loved drawing and making up stories. Together with his parents he explored South Africa among other places, and built himself an adventure-tree house in his grandparents' orchard. After finishing school he studied at an arts academy, and today he is a successful illustrator and bestselling author. His books have been highly acclaimed by the media, and translated into other languages (including Chinese). *Shake the Apple Tree* was a *Spiegel* bestseller, and several of his books have been promoted and

This book prepares children for school with early writing exercises, and Nico Sternbaum's jolly illustrations make them twice as much fun. In this book, children can copy the lines of ocean waves, firefly trails or wonderful patterns in a colourful painting. In addition, there are motifs left blank for colouring-in.

- Practising strokes is the ideal way to prepare for learning how to write
- Helps to develop fine motor skills and concentration
