**Walter Moers** has with his fantasy novels written his way into the hearts of readers and critics alike far beyond the borders of the German-speaking parts of the world. All his novels, such as *The 13 1/2 Lives of Captain Bluebear* and *The City of Dreaming Books*, were bestsellers and have been translated into numerous languages.

Apart from the continent of Zamonien, Walter Moers has also created such popular characters as *Optimus Yarnspinner* and the cartoon character *Adolf*.

This novel is a book of superlatives: published around 13 1/2 years ago, it immediately brought the renowned comic author Walter Moers international acclaim and also made him hugely successful as novelist. His novel about the 13.5 lives of the legendary Captain Bluebear is bursting with ideas, and almost one million copies have been sold; it has been translated into more than 20 languages and is still being read with great enthusiasm all over the world by young and old alike.

This new edition is in 4c, with illustrations that have been colourised for the first time. This is an ideal present for all fans of Captain Bluebear and Walter Moers – and for all potential fans as well.
