

**"Do the trousers make me look fat?"  
"Well, Sweetie, to be honest , it's got  
nothing to do with the trousers!"**

January 2015

**Jürgen von der Lippe** was born in 1948. He has for many years been one of the most popular entertainers and talk masters on German television and is also a talented comedian.

They are vicious, they are brash and sharp as tack; but above all they are surprising and painfully funny – the latest short stories and squibs by doyen Jürgen von der Lippe, who has once again outdone himself.
